

Closer to burning ice
the sting from a careful blade,
farther from freezing ends
Dawn's stale memory fades

wisps of crystal
a fine-pointed-star,
deadly amid its beauty
Wrath- her lucent scar

Fleeting-
agile dexterity;
Fleeting-
nimble motion;
Fleeting-
a loss

eyes which cannot see
a heart that yearns for Dawn
a mind- contemplative, fresh
decisive- fatalistic- gone

Fleeting-
agile dexterity;
Fleeting-
nimble motion;
Fleeting-
a loss
